Designer *Paola Navone*

IT Riflessi di luce e raffinate suggestioni, grazie all'utilizzo di elementi specchiati, che sono stati graffiati e satinati con sapienza. Paola Navone utilizza un decoro astratto sulla superficie riflettente, per creare un affascinante effetto vedo non vedo. Eleganti pareti dal forte impatto visivo sono il risultato di questo dialogo tra luce e materia.

EN Reflections of light and refined, evocative shapes grow out of the use of mirrored elements that have been carefully etched and partially obscured. For this collection, Paola Navone has created an abstract pattern on top of a reflective surface to create a fascinating semi-translucent mirror effect. The result of this dialogue between light and material is an elegant wall with a strong visual impact.

Paola Navone

IT Schietta, sognatrice, eclettica: nella sua anima convivono sapori e colori del sud del mondo, conosciuto, amato, frequentato, unite al gusto e alle forme dell'Occidente ricco di tradizioni, aperto, in movimento. Da tutto ciò, la sua inesauribile curiosità alla ricerca di materie, forme e strutture, al presente, passato e futuro.

È architetto, designer, art director, interior designer. Moltissime le mostre e gli allestimenti curati in tutto il mondo.

Nell'83 vince l'International Design Award di Osaka, nel 2000 è Designer dell'anno per la rivista tedesca Architektur & Wohnen e nel 2011 vince con 2 progetti l'Elle Deco International Design Awards. Nel 2014 riceve dalla rivista Interior Design Magazine la prestigiosa nomina a far parte della Hall of Fame del Design. Vanta collaborazioni con le firme più illustri dello scenario internazionale del mondo del design come Branzi, Sottsass, Mendini.

EN An open and eclectic dreamer: the flavours and colours of the global South that she knows and loves live in her mind and soul, in harmony with the taste and forms of the Western world and its rich traditions – open and in motion. All of this is the basis for the unquenchable curiosity of her constant search for materials, forms and structures, in the past, present and future.

She is an architect, designer, art director and interior decorator.

She has curated numerous exhibitions and shows throughout the world: in 1983 she won the International Design Award in Osaka, and in 2000 she was named Designer of the Year by the German magazine, Architektur & Wohnen. In 2011 two of her projects won the Elle Deco International Design Awards, and in 2014 she was nominated to the prestigious Design Hall of Fame by Interior Design Magazine. She has worked with some of the most famous design companies on the international scene, including Branzi, Sottsass and Mendini.
